# WARRANT REGULATING THE GRANTS OF UNATTACHED PAY, RETIRED FULL PAY, AND HALF PAY.

Dated 1st October, 1840.

## VICTORIA R.

WHEREAS We have judged it expedient to revise, amend, and consolidate the Rules, Orders and Regulations, which have from time to time been established for granting Unattached Pay and other Rates of Pay to General Officers, and Retired Full Pay and Half Pay to Officers of Our Army: Our Will and Pleasure is, that from and after the date hereof, this Our Warrant shall be considered the sole Authority upon this subject.

# Unattached Pay and other Rates of Pay to General Officers.

- 1.—The Number of General Officers, upon Unattached Pay of One Pound Five Shillings a day, not being in Command of Regiments, is limited to an Establishment of One Hundred and Twenty General Officers.
- 2.—The Vacancies which may from time to time occur in this limited Establishment, will be filled up by General Officers recommended to Us by the General Commanding in Chief.
- 3.—General Officers, being Colonels of Regiments, in the event of their Regiments being reduced, may be placed in the first instance as Supernumeraries in the said Establishment, but are to fall into the Vacancies that may occur thereupon.
- 4.—All Officers promoted to be General Officers shall, whether on Full Pay or Half Pay at the time of promotion, receive Unattached Pay at the rate of Four Hundred Pounds per Annum, or if Lieutenant Colonels of Cavalry, the Nett Full Pay of that rank, until elected to the Establishment of Unattached Pay, at One Pound Five Shillings a day, or appointed to be Colonels of Regiments;—provided such Officers shall have actually served upwards of Six Years with the Rank of Regimental Major or Lieutenant Colonel, either with a Regiment or in some other military capacity in the Public Service; or having obtained the Rank of Regimental Field Officer, had been obliged to go upon Half Pay on account of Reduction, or in consequence of ill health contracted in the Service, as established by the Report of a Board of Medical Officers, or in consequence of Wounds received in Action, before he had served the Six Years above prescribed.
- 5.—The Benefit of this Pay shall not be extended to any General Officer who, when he last went upon Half Pay, had received the difference; nor to any Officer who went upon Half Pay at his own request in time of Wanter having obtained the Brevet Rank of Lieutenant-Colonel; nor to any Officer who went upon Half Pay at his own request in time of Peace, before he had served Six Years with the Rank of Regimental Field Officer.

Officers thus situated shall continue to receive the Half Pay only of which they were in the receipt at the time of their promotion to be General

Officers.

6.-Officers removed from their Commissions as Field Officers, in Regi-

ments of Foot Guards, in consequence of being promoted to be General Officers, shall receive Unattached Pay according to the following Scale: viz.

Lieut.-Colonel .. .. £600 per Annum.
Major .. .. .. 550 ..

# Retired Full Pay.

- 7.—A limited Establishment of Retired Full Pay shall be formed and kept up according to the following Scale:—
  - 20 Lieutenant-Colonels .. .. at 17s. a day each.
  - 20 Majors .. .. .. .. .. 16s.
- 115 Captains, whereof a number not exceeding 45 may be Brevet Field Officers at 13s. 7d. a day each, and the remainder Captains at 11s. 7d. a day each. Captains on the Retired List, at a lower rate of pay, are not to be transferred to the New Scale, except on the Special recommendation of the General Commanding in Chief.
- 8.—The Officers to be selected for this Retired Establishment shall be recommended to Us by the General Commanding in Chief, and they shall be appointed thereto according to their Regimental and not according to their Brevet Rank, but they shall not thereby obtain any additional Rank, nor can they be further promoted.
- 9.—Officers hereafter appointed to Veteran Battalions shall not, on their Retirement therefrom, acquire any claim to Full Retired Pay, but upon reduction shall be liable to be placed upon Half Pay under the same Regulations as Officers reduced from Regiments of the Line.

# Half Pay.

- 10.—The Half Pay of the Army is a remuneration for past Military Services, and also an obligation on the part of the Officer to return to his Military Duties whenever called upon; and any Officer not obeying the call is liable to forfeit his Half Pay.
- 11.—No Officer shall be entitled to be placed on the Half Pay Establishment on reduction from Full Pay, unless he shall have actually done duty in some Regiment or Corps, or in some other Military capacity in the Public Service, for a period of at least Six Years, excepting he shall have been compelled to retire upon Half Pay by Wounds received in Action, or by ill health contracted on duty in our Colonies after Three Years' Service.
- 12.—An Officer having served more than Three and less than Six Years, will however, if reduced, be placed upon Half Pay until recalled to Active Service.
- 13.—An Officer having served less than Three Years, will, if reduced, receive only a temporary allowance of Half Pay, according to the following Scale:—

Service on Full Pay. Temporary Allowance.

Under 1 Year ..... for 1 Year.
1 and under 2 Years .... 2 Years.
2 and under 3 Years .... 3 Years.

- 14.—The temporary Allowance shall cease at the termination of the above recited periods, or previously, if the Officer shall have been previously replaced on Full Pay.
- 15.—But an Officer on temporary Half Pay shall be eligible to be appointed to a Fall Pay Commission either by exchange or otherwise, provided his appointment shall take place within Five Years after he has ceased to receive temporary Half Pay, in which case his former Service shall be allowed to reckon.
- 16.—The exchange to Full Pay under the preceding Article may be made with a Full Pay Officer entitled to Half Pay.
- 17.—If an Officer receiving the temporary Allowance shall have purchased his Commission, he may receive the regulated Price thereof from the Public through the Secretary at War, and the sum thus advanced shall be refunded to the Public by the sale of a First Full Pay Commission, provided that not more than One First Commission out of Two be thus sold for refunding to the Public the regulated Price of the Commission so advanced.
- 18.—If a Subaltern Officer having a claim to Half Pay is desirous of selling or commuting his Half Pay, the following Rule shall be observed:—
  If he purchased his Commission, the regulated Price may be given (whether receiving Half Pay or temporary Allowance) with the usual precaution of a Medical Certificate as to his being in a good state of Health.

If he did not purchase his Commission, he may receive the New Price of that Commission if a Lieutenant with Seven Years' Full Pay Service in the Army, or with Six Years' if a Cornet or Ensign; and the Old Price of the Commission if under those periods, and above Four Years' Full Pay Service.

If he did not purchase his Commission and should retire after less than Four Years', and more than Three Years' Service, at his own request, and not on account of ill Health or Wounds, he shall only receive half the Price of the Commission at the New Rate.

- 19.—But in the cases included in the two preceding Articles, no Officer on Half Pay shall, of right, have a claim to sell or commute his Half Pay; the permission shall be governed by such a consideration of the individual case as the General Commanding in Chief and Secretary at War may think proper to recommend to Us.
- 20.-No Garrison Commission or Appointment shall give an Officer any claim to Half Pay on Retirement.
- 21.—An Officer who applies to retire upon Half Pay on the ground of ill Health, must, if stationed in or near London or Dublin, be examined by the principal Officers of the Army Medical Departments in those cities; and if stationed elsewhere, by a Board of Medical Officers, agreeably to the provisions of the Articles of War; the result of such examination to be forwarded to the General Commanding in Chief and Secretary at War. If such examination shall not take place, the Officer will be considered to have retired upon Half Pay for his own convenience.
- 22.—Every Quarter the Residence of the Half Pay Officer is to be stated in his Declaration, whether his Half Pay be received by an Agent or by himself.

23.—If an Officer of any of the under-mentioned Ranks shall have entered the Service since the termination of the War in 1915, and shall, after the date of this Warrant, be permitted to exchange to Half Pay, not on account of ill Health, but for his private convenience, before he has served Seven Years on Full Pay, he shall be allowed only the Old Rate of Half Pay specified in the following Schedule: if the retirement should be for the public convenience by reduction or otherwise, or in consequence of ill Health as certified by a Medical Board, the Officer will be allowed the New Rate of Half Pay:—

|                                                                                                                              | CA           | VAI     | RY           | 7.      | INFANTRY.    |         |             |            |  |

# WARRANT REGULATING THE APPOINTMENTS AND PAY OF ARMY MEDICAL OFFICERS.

## VICTORIA R.

WHEREAS it has been represented unto Us that the Rank of Assistant-Inspector of Hospitals can be dispensed with; and that with a view to extend the means of promotion in the Medical Department of Our Army, it is expedient to institute a Second Class of Staff Surgeons, who shall in Rank and Pay correspond and be on a footing with the Regimental Surgeons, and at the same time to improve the Pay and advantages of the First or Superior Class of Staff Surgeons; We are therefore pleased to direct, that from and after the date of this Our Warrant, all former Rules and Orders respecting the Titles, Ranks, Periods of Service, and Pay of the Medical Officers of Our Army shall cease and determine, and that this Our Warrant shall, from and after the First day of October, 1840, be considered the sole and standing authority upon this subject.

1.—The Medical Officers of the Army are in future to be distinguished by the following Ranks and Commissions, viz.—

Assistant Surgeon.
Regimental Surgeon, and Staff Surgeon, Second Class.
Staff Surgeon, First Class.
Deputy Inspector General of Hospitals.
Inspector General of Hospitals.

- 2.—Assistant Surgeon.—No Medical Candidate who has not passed his Examinations at the Royal College of Surgeons of London, Edinburgh or Dublin, shall be eligible for this Commission; and the Assistant Surgeon must have served on Full Pay Five Years before he shall be eligible for promotion to the Rank of Regimental Surgeon, or of Staff Surgeon of the Second Class.
- 3.—Regimental Surgeons and Staff Surgeons of the Second Class must have served Ten Years in the Army on Full Pay before they shall be eligible for the next2step of Rank.
- 4.—A Staff Surgeon of the First Class must have served Three Years at Home, or Two Years Abroad in this Rank, before he shall be eligible for promotion.
- 5.—A Deputy Inspector General of Hospitals must have served Five Years at Home, or Three Years Abroad in this Rank, before he shall be eligible for promotion to the highest Rank of Inspector General.
- 6.—The Rates of Daily Pay for the before-mentioned Ranks are to be in future regulated by the length of Time which the Officers of each Class shall have served upon Full Pay according to the annexed Scale; provided always that when any Officer is hereafter promoted, he shall commence upon the minimum Pay of his new Rank, notwithstanding his length of Service, agreeably to the said Scale, may give him a claim to a higher Rate

of Pay, as before he shall be allowed such higher Rate of Pay he will be required to serve on each inferior Rate of Pay attached to his Rank, the following period, namely, One Year, if he had been in the Medical Department antecedently to 29th July, 1830, and Two Years if he received his first Medical Commission subsequently to that date; but if the Officer thus promoted had higher Pay in his old Rank than the minimum of his new Rank, he shall commence upon that Rate of Pay which may be next above his former Pay, and before he obtains any further increase shall serve the period above prescribed, viz.—

# WARRANT REGULATING THE GRANTS OF UNATTACHED PAY, RETIRED FULL PAY, AND HALF PAY.

Dated 1st October, 1840.

### VICTORIA R.

Whereas We have judged it expedient to revise, amend, and consolidate the Rules, Orders and Regulations, which have from time to time been established for granting Unattached Pay and other Rates of Pay to General Officers, and Retired Full Pay and Half Pay to Officers of Our Army: Our Will and Pleasure is, that from and after the date hereof, this Our Warrant shall be considered the sole Authority upon this subject.

# Unattached Pay and other Rates of Pay to General Officers.

- 1.—The Number of General Officers, upon *Unattached* Pay of One Pound Five Shillings a day, not being in Command of Regiments, is limited to an Establishment of *One Hundred and Twenty* General Officers.
- 2.—The Vacancies which may from time to time occur in this limited Establishment, will be filled up by General Officers recommended to Us by the General Commanding in Chief.
- 3.—General Officers, being Colonels of Regiments, in the event of their Regiments being reduced, may be placed in the first instance as Supernumeraries in the said Establishment, but are to fall into the Vacancies that may occur thereupon.
- 4.—All Officers promoted to be General Officers shall, whether on Full Pay or Half Pay at the time of promotion, receive Unattached Pay at the rate of Four Hundred Pounds per Annum, or if Lieutenant Colonels of Cavalry, the Nett Full Pay of that rank, until elected to the Establishment of Unattached Pay, at One Pound Five Shillings a day, or appointed to be Colonels of Regiments;—provided such Officers shall have actually served upwards of Six Years with the Rank of Regimental Major or Lieutenant-Colonel, either with a Regiment or in some other military capacity in the Public Service; or having obtained the Rank of Regimental Field Officer, had been obliged to go upon Half Pay on account of Reduction, or in consequence of ill health contracted in the Service, as established by the Report of a Board of Medical Officers, or in consequence of Wounds received in Action, before he had served the Six Years above prescribed.
- 5.—The Benefit of this Pay shall not be extended to any General Officer who, when he last went upon Half Pay, had received the difference; nor to any Officer who went upon Half Pay at his own request in time of War, after having obtained the Brevet Rank of Lieutenant-Colonel; nor to any Officer who went upon Half Pay at his own request in time of Peace, before he had served Six Years with the Rank of Regimental Field Officer.

Officers thus situated shall continue to receive the Half Pay only of which they were in the receipt at the time of their promotion to be General

Officers.

6.—Officers removed from their Commissions as Field Officers, in Regi-

ments of Foot Guards, in consequence of being promoted to be General Officers, shall receive Unattached Pay according to the following Scale: viz.

20 Majors .. .. .. .. .. 16s. ,,

115 Captains, whereof a number not exceeding 45 may be Brevet Field Officers at 13s. 7d. a day each, and the remainder Captains at 11s. 7d. a day each. Captains on the Retired List, at a lower rate of pay, are not to be transferred to the New Scale, except on the Special recommendation of the General Commanding in Chief.

- 8.—The Officers to be selected for this Retired Establishment shall be recommended to Us by the General Commanding in Chief, and they shall be appointed thereto according to their Regimental and not according to their Brevet Rank, but they shall not thereby obtain any additional Rank, nor can they be further promoted.
- 9.—Officers hereafter appointed to Veteran Battalions shall not, on their Retirement therefrom, acquire any claim to Full Retired Pay, but upon reduction shall be liable to be placed upon Half Pay under the same Regulations as Officers reduced from Regiments of the Line.

# Half Pay.

- 10.—The Half Pay of the Army is a remuneration for past Military Services, and also an obligation on the part of the Officer to return to his Military Duties whenever called upon; and any Officer not obeying the call is liable to forfeit his Half Pay.
- 11.—No Officer shall be entitled to be placed on the Half Pay Establishment on reduction from Full Pay, unless he shall have actually done duty in some Regiment or Corps, or in some other Military capacity in the Public Service, for a period of at least Six Years, excepting he shall have been compelled to retire upon Half Pay by Wounds received in Action, or by ill health contracted on duty in our Colonies after Three Years' Service.
- 12.—An Officer having served more than Three and less than Six Years, will however, if reduced, be placed upon Half Pay until recalled to Active Service.
- 13.—An Officer having served less than Three Years, will, if reduced, receive only a temporary allowance of Half Pay, according to the following Scale:—

Service on Full Pay. Temporary Allowance.

Under 1 Year ..... for 1 Year. 1 and under 2 Years .... 2 Years.

2 and under 3 Years .... 3 Years.

- 14.—The temporary Allowance shall cease at the termination of the above recited periods, or previously, if the Officer shall have been previously replaced on Full Pay.
- 15.—But an Officer on temporary Half Pay shall be eligible to be appointed to a Full Pay Commission either by exchange or otherwise, provided his appointment shall take place within Five Years after he has ceased to receive temporary Half Pay, in which case his former Service shall be allowed to reckon.
- 16.—The exchange to Full Pay under the preceding Article may be made with a Full Pay Officer entitled to Half Pay.
- 17.—If an Officer receiving the temporary Allowance shall have purchased his Commission, he may receive the regulated Price thereof from the Public through the Secretary at War, and the sum thus advanced shall be refunded to the Public by the sale of a First Full Pay Commission, provided that not more than One First Commission out of Two be thus sold for refunding to the Public the regulated Price of the Commission so advanced.
- 18.—If a Subaltern Officer having a claim to Half Pay is desirous of selling or commuting his Half Pay, the following Rule shall be observed:—
  If he purchased his Commission, the regulated Price may be given (whether receiving Half Pay or temporary Allowance) with the usual precaution of a Medical Certificate as to his being in a good state of Health.

If he did not purchase his Commission, he may receive the New Price of that Commission if a Lieutenant with Seven Years' Full Pay Service in the Army, or with Six Years' if a Cornet or Ensign; and the Old Price of the Commission if under those periods, and above Four Years' Full Pay Service.

- If he did not purchase his Commission and should retire after less than Four Years', and more than Three Years' Service, at his own request, and not on account of ill Health or Wounds, he shall only receive half the Price of the Commission at the New Rate.
- 19.—But in the cases included in the two preceding Articles, no Officer on Half Pay shall, of right, have a claim to sell or commute his Half Pay; the permission shall be governed by such a consideration of the individual case as the General Commanding in Chief and Secretary at War may think proper to recommend to Us.
- 20.—No Garrison Commission or Appointment shall give an Officer any claim to Half Pay on Retirement.
- 21.—An Officer who applies to retire upon Half Pay on the ground of ill Health, must, if stationed in or near London or Dublin, be examined by the principal Officers of the Army Medical Departments in those cities; and if stationed elsewhere, by a Board of Medical Officers, agreeably to the provisions of the Articles of War; the result of such examination to be forwarded to the General Commanding in Chief and Secretary at War. If such examination shall not take place, the Officer will be considered to have retired upon Half Pay for his own convenience.
- 22.—Every Quarter the Residence of the Half Pay Officer is to be stated in his Declaration, whether his Half Pay be received by an Agent or by himself.

23.—If an Officer of any of the under-mentioned Ranks shall have entered the Service since the termination of the War in 1815, and shall, after the date of this Warrant, be permitted to exchange to Half Pay, not on account of ill Health, but for his private convenience, before he has served Seven Years on Full Pay, he shall be allowed only the Old Rate of Half Pay specified in the following Schedule: if the retirement should be for the public convenience by reduction or otherwise, or in consequence of ill Health as certified by a Medical Board, the Officer will be allowed the New Rate of Half Pay:—

<sup>24.—</sup>In addition to the rate stated in the Schedule annexed to the preceding Article, Captains of Infantry having superior Brevet Rank will, on retirement to Half Pay, be allowed one-half of the extra Pay they receive for Brevet Rank, viz. one shilling a day, provided they shall have served Two Years at least upon Full Pay as Captains immediately before such retirement to Half Pay.

<sup>25.—</sup>In order to make better provision for Officers of long and meritorious Service, a limited number, Twenty, Regimental Lieutenant-Colonels, shall receive an allowance of £100 a year each, in addition to the Half Pay assigned to them by the Schedule annexed to the 23rd Article.

<sup>26.—</sup>The Officer to be selected for this special provision shall be recommended to Us by the General Commanding in Chief from those Lieutenant-

Colonels having the Brevet Rank of Colonel, who have retired or may retire to Half Pay after Thirty Years' Service upon Full Pay. But this additional rate will not be allowed to any Officer who received the difference when he retired upon Half Pay, and the Officer will cease to receive the allowance when he shall cease to receive Half Pay.

## Quartermasters.

31.—The rate of Half Pay for a Quartermaster shall in all cases be determined by the Service which the Officer may have rendered to the Public as Quartermaster, or in any former Military capacity.

34.—The rate of Half Pay for a Medical Officer of the Army shall in every case be determined by the Service which he may have rendered upon Full Pay, and the circumstances under which he may be placed upon Half Pay.

35.—If a Medical Officer shall be placed upon Half Pay by reduction of Establishment, he shall be allowed the Half Pay to which his Services may entitle him, according to the following Schedule:—

37.— Every Medical Officer who may have served upon Full Pay for Twenty-Five Years and upwards, shall have the right to retire upon Half Pay, and may be recommended for the rate assigned to his rank and service in the Schedule annexed to Article 35, provided he shall have served Three Years in the Rank from which he retires; but if he shall not have served Three Years in such Rank, he shall receive only the rate attached to the Rank from which he was last promoted.

38.—If a Medical Officer shall have served Thirty Years on Full Pay, including Three in the Rank from which he retires, or not having served such Three Years, shall have served Ten in the Colonies, or Five with an Army in the Field, in any Rank, he may be allowed the rate of Half Pay assigned to his Rank in the Schedule annexed to Article 35; but it is not to be understood that this clause is intended to convey any authority to place any Officer in retirement immediately subsequent to any promotion he may obtain.

Veterinary Surgeons.

39.—The rate of Half Pay for a Veterinary Surgeon shall be regulated by his Service on Full Pay, according to the following Scale:—

# WARRANT REGULATING THE APPOINTMENTS AND PAY OF ARMY MEDICAL OFFICERS.

## VICTORIA R.

Whereas it has been represented unto Us that the Rank of Assistant-Inspector of Hospitals can be dispensed with; and that with a view to extend the means of promotion in the Medical Department of Our Army, it is expedient to institute a Second Class of Staff Surgeons, who shall in Rank and Pay correspond and be on a footing with the Regimental Surgeons, and at the same time to improve the Pay and advantages of the First or Superior Class of Staff Surgeons; We are therefore pleased to direct, that from and after the date of this Our Warrant, all former Rules and Orders respecting the Titles, Ranks, Periods of Service, and Pay of the Medical Officers of Our Army shall cease and determine, and that this Our Warrant shall, from and after the First day of October, 1840, be considered the sole and standing authority upon this subject.

1.—The Medical Officers of the Army are in future to be distinguished by the following Ranks and Commissions, viz.—

Assistant Surgeon.
Regimental Surgeon, and Staff Surgeon, Second Class.
Staff Surgeon, First Class.
Deputy Inspector General of Hospitals.
Inspector General of Hospitals.

- 2.—Assistant Surgeon.—No Medical Candidate who has not passed his Examinations at the Royal College of Surgeons of London, Edinburgh or Dublin, shall be eligible for this Commission; and the Assistant Surgeon must have served on Full Pay Five Years before he shall be eligible for promotion to the Rank of Regimental Surgeon, or of Staff Surgeon of the Second Class.
- 3.—Regimental Surgeons and Staff Surgeons of the Second Class must have served Ten Years in the Army on Full Pay before they shall be eligible for the next step of Rank.
- 4.—A Staff Surgeon of the First Class must have served Three Years at *Home*, or Two Years Abroad in this Rank, before he shall be eligible for promotion.
- 5.—A Deputy Inspector General of Hospitals must have served Five Years at Home, or Three Years Abroad in this Rank, before he shall be eligible for promotion to the highest Rank of Inspector General.
- 6.—The Rates of Daily Pay for the before-mentioned Ranks are to be in future regulated by the length of Time which the Officers of each Class shall have served upon Full Pay according to the annexed Scale; provided always that when any Officer is hereafter promoted, he shall commence upon the minimum Pay of his new Rank, notwithstanding his length of Service, agreeably to the said Scale, may give him a claim to a higher Rate

of Pay, as before he shall be allowed such higher Rate of Pay he will be required to serve on each inferior Rate of Pay attached to his Rank, the fol-owing period, namely, One Year, if he had been in the Medical Department antecedently to 29th July, 1830, and Two Years if he received his irst Medical Commission subsequently to that date; but if the Officer thus promoted had higher Pay in his old Rank than the minimum of his new Rank, he shall commence upon that Rate of Pay which may be next above his former Pay, and before he obtains any further increase shall serve the period above prescribed, viz.—

## CIRCULAR. No. 874.

WAR OFFICE, 10th November, 1840.

SIR,

I HAVE the honor to transmit to you the inclosed Copy of a Warrant which Her Majesty has been graciously pleased to issue, authorizing the maintenance of a Schoolmistress in every Regiment of Cavalry, and in every Regiment, Battalion, and Regimental Depôt of Infantry.

In carrying into effect the benevolent intentions of Her Majesty in this respect, and in the application of the funds which Her Majesty has granted for this most desirable object, I have to observe that it is not in contemplation to interfere with the duties assigned to the Serjeant-Schoolmaster, but to add to the advantages which have resulted from the institution of that appointment, by enabling the female children of the Soldiers to obtain instruction in those useful occupations which are peculiarly within the province of female tuition, and to encourage in them those habits which may qualify them to earn a future livelihood, and to become useful members of the community.

In selecting a suitable person for this employment, it is anticipated that you will use the utmost care and circumspection with reference to the morals, the habits, and the acquirements of the individual; but it is supposed that there will be found among the Wives of the Non-Commissioned Officers, or of the Soldiers, persons every way qualified to discharge these duties in an

efficient and proper manner.

I do not conceive that any additional accommodation in school room will be required for this purpose, or that it would be difficult to arrange the hours of instruction in such a manner as to give full opportunity for the separate attendance of the male and female children.

From the date of your notifying to me that a Schoolmistress has been se-

lected, the Paymaster, or acting Paymaster, will be permitted to charge in his accounts the annual allowance, as also the sum of £5, or when a Regiment or Battalion of Infantry is divided into Service and Depôt Companies, a proportion of that sum corresponding with the number of Companies for the first expenses attending the formation of the School. I need scarcely point out that the greatest care should be taken to confine these Expenses to such items as shall be immediately and indispensably necessary.

It only remains for me to add that on the appointment of the Schoolmistress, she should be made clearly to understand that her service in this ca-

pacity will not give her any claim to a retired allowance.

I have the honor to be.

Officer Commanding Regiment of

Your most obedient Servant, T. B. MACAULAY.

Warrant authorizing the Appointment of a Schoolmistress in all Regiments of Cavalry and Infantry, &c.

Dated 29th October, 1840.

VICTORIA R.

WHEREAS Our Forces in every part of the World are accompanied by many Female Children of Our Soldiers, and whereas such Female Children, being, in consequence of the exigencies of Our Service, subject to peculiar disadvantages, are therefore peculiarly entitled to Our Royal Care and Benevolence, and whereas no adequate means have yet been provided for bringing up such Female Children to be useful and respectable Members of Society; and whereas it hath appeared to Us that the defect can be supplied only by means of Female Tuition; Our Will and Pleasure is, that in every Regiment of Cavalry, and in every Regiment, Battalion, and Regimental Depót of Infantry, there shall be a Schoolmistress qualified to instruct the Female Children of Our Soldiers as well in reading, writing, and the rudiments of arithmetic, as in needlework and other parts of housewifery. and to train them in habits of diligence, honesty, and piety.

And in order to provide for the remuneration of such Schoolmistress, We are pleased to grant an allowance of £20 per annum for each Regiment of Cavalry, and after the rate of £3 per annum for each Company of Infantry in Our Service: and We are also pleased to grant £5 to every Regiment of Cavalry, and to every Regiment or Battalion of Infantry, in Our Service, for the expenses attending the first formation of the Regimental Female Schools.

> Given at Our Court at Windsor, this 29th day of October, 1840. in the Fourth Year of Our Reign.
